

DONATION / MEMBERSHIP FORM (2017 – 2021)

The Museum has launched a new, five-year campaign to raise the funds to finish the renovation work on the "Old Mill" building, and to cover the cost of the new exhibits. This "Building Fund Campaign" will run through 2021 and expects to reach a goal of \$350,000. All donors of \$50 or more will be listed on a special plaque, the "Building Fund Donors (2017 - 2021)" plaque, which will permanently hang in The Museum. The TOTAL of a donor's donations over the entire period (2017 - 2021) will determine the donor's listing level on this new plaque. Donations of \$20 or more receive a one-year membership in The Museum, an I.R.S. receipt, an acknowledgement detailing the donor's present plaque listing level, and a membership card. For a short time, donors of \$250 or more will receive a **"NO EXPIRATION"** membership.
